REPORT OF ANNUAL TOWN MEETING

MARCH 10, 1959

Article 1. All necessary officers chosen. Vote 59 to 25 against Beano.

Article 2. Town voted to appropriate the budget, estimated revenues deducted and the balance to be raised by taxation.

Article 3. Raised and appropriated \$133.00 for the Monadnock Region.

Article 4. Appropriated \$818.49 for our share of the T.R.A. program.

Article 5. Raised and appropriated \$500.00 toward fund for publication of the Town History. Also voted to establish Town History Reserve Fund with unexpended balance of previous years.

Article 6. Voted to appropriate \$373.38 and add to \$66.62 (money in hands of treasurer collected from Tag Day) making a total of \$440.00 the town's share or 1/2 cost of new structure in the Belfry.

Article 7. Voted to return \$3,474.00 (balance of appropriation to change inlet to Norway Pond) to general funds because Hydraulic Engineers and authorities felt that no appreciable change in circulation of water at the bathing beach would be accomplished by changing inlet. Also voted that \$1,000.00 of this sum be appropriated for improvement of the inlet and outlet to Norway Pond.

Article 8. Raised and appropriated \$600.00 for maintenance of the Bathing Beach.

Article 9. Raised and appropriated \$150.00 for Memorial Day.

Article 10. Raised and appropriated \$400.00 for Old Home Week. Also voted that Old Home Day Committee be appointed by the Moderator and Selectmen.

Article 11. Raised and appropriated \$300.00 to paint the Horsesheds.

Article 12. Ballot vote 67 to 31 against purchasing new loader for Highway Department. Voted to appropriate \$2,000.00 for establishment of Highway Equipment Reserve Fund.

Article 13. Raised and appropriated \$100.00 for Civil Defense.

Article 14. Postponed action on raising money for continuation of Hillside Cemetery Wall until further study by Cemetery Committee.

Article 15. Raised and appropriated \$500.00 for extension of a six inch water main approximately 150 feet on Peterborough road.

Article 16. Raised and appropriated \$100.00 for Fire Hose Reserve Fund.

Article 17. Raised and appropriated \$2,000.00 for the establishment of Fire Truck Reserve Fund.

Article 18. Raised and appropriated \$25.00 to match State's share for clearing Fire Trails.

Article 19. Voted to allow a 1% discount on property taxes if paid within 30 days after date of bill.

Article 20. Voted to discontinue town road from Arthur Daniels residence, to first corner toward Elmwood because of new 202 by-pass.

Article 21. Dismissed motion to change purpose of Savings Bank Fund.

Article 22. Motion that Trustees of Trust Funds be instructed to apply to Superior Court for change of purpose of the Anna N. B. Foster Fund.

Article 23. Voted that the Selectmen be authorized to borrow not more than \$25,000.00 in anticipation of Taxes.

Article 24. Accepted Gifts and Legacies. Legacy for Elizabeth Sprague Cemetery Lot and the addition to the Old Cemetery from Lloyd Briggs.

Article 25. Reports of Town officers, auditors and committees accepted as printed in Town Report.

Article 26. Voted that the Town express interest in the proposal that certain towns be transferred from Hillsborough County to Cheshire County.

Unexpended balances voted back to general funds. Voted that it is the sentiment of the town that the next T.R.A. road be built from the residence of C. S. Bradley to the Greenfield road near the residence of Ray Hudson.

PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple.

1. Before burning, secure a permit from your local forest fire warden—the law requires it.

2. Be sure to properly supervise your burning.

3. Make certain your fire is DEAD OUT before leaving it.

4. Don't throw lighted matches, cigars and cigarettes from moving vehicles—use your ash tray.

5. Don't burn at home—Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires	3
Number of acres burned	2 $\frac{3}{4}$

PROGRESS REPORT OF NEW HISTORY

The history of the land given to the town by Deacon James Hosley for a town Common and burying ground has been studied and the history of the several buildings and their use determined. The markers and marked boulders have been located and facts pertaining to them have been obtained as far as possible in order to bring the history of this land up to date. This material is completed ready to write.

The history of the Hancock Woman's Club, Hancock Ladies Bible Society, Ladies Foreign Mission Society and Association for the Blind are completed and typed, as is also the history of the Sportsmen's Club.

A gift of blue print photographs of the Common, about 1902, and two homes are gratefully acknowledged. These prints have been reproduced in black and white and placed in the files for possible use in the new history.

Facts about the District Schools, Elementary School, the two Academies and the High School have been searched out and the history in process.

Genealogies of several families are completed and many others have been added to.

Another gift of Peterborough Transcripts has proved of value as several are of very early date. The ads have been helpful in placing the various business establishments and the real estate transfers give valuable information.

The towns of Weare and Mont Vernon have recently published a second volume to cover the time lapse since publishing of their first volumes and the present time. These books have been read and studied as to facts, interest and format. It is hoped Hancock will have as detailed and interesting a second volume as either one of these.

HANCOCK 1959

This is the tenth annual history of Hancock prepared for the Town Report. It rounds out a decade in the life of our Town. It records changes and events of this year; at the end is added an index of the decade's doings.

During the flourishing 1950's there has been no earthquake in Hancock, the hurricanes of 1955 (Connie and Diane) did only minor damage—unlike the 1938 one. From a plane flying several thousand feet up the town would have only one evident new land mark, the by-pass on Highway 202. But the pace of development and change increases here as elsewhere and we think occasionally of planets and asteroids in outer space and wonder from time to time about the particles making up the atom. We and our homes are shaken by sonic booms as a reminder of our age. Two manifestations of progress in 1959 stand out sharp and clear.

Most would agree that when the pleasant voice of Mary Blood, sometimes Ken and others filling in down at the telephone exchange were superseded September 24th by a dial tone, something—an intimate part of our life since 1904—was no more. A long list of friendly, helpful people have sat in our communication center since the first line connected Fogg's store (now Tremblay's) with Peterborough. Dell and Jim Eva following Marion Manning were the helpful ones as the decade of the fifties began. Some of the smiling "hellos" in recent years were—Ann Fisher (Willard), Shirley Dow (Henehan), Cathie Quinn (Russell), Betty Wilder (Gardner), Betty Cragin (Sweeney), Annie Perry (Rice), Bessie Hennessey, Pat Higgins and Marion Stearns.

Like other things considerably affecting our way of life, we as a Town were not asked to vote on the pros or cons of a mechanical telephone. Nor did we decree that the last train through Hancock should be on the twenty-first day of September, 1938 thereby, as a result of the hurricane and flood of that year, eliminating those customary meetings at the station and the excitement of people going and coming in groups. Della Taylor and Helen Currier agree on that date which already many in Town had forgotten.

These and many other alterations in our collective way of life came about, well just happened. But we voted on the by-pass practically unanimously after lengthy discussions. We voted to take Hancock off the speedy thoroughway. In November the by-pass was opened. Now if visitors wish to come to see us it is still as easy as pie. But those tearing along headed somewhere else, Howard Chase, President of our Historical Society would say, will never know what our famous Main

Street looks like. Because we said we wanted to be, we're off the beaten path, like Louisburg Square in Boston and just as much an attraction.

A lot of people like to live and repose just a little away from cars and trucks going 60 mph. Maybe that's why we went in actively this year for building new homes. Five new houses (Ecklund, MacFarlane, Penniman, Ingalls and Blanchette) sprang up on Norway Hill, two on the Bennington Road (Senechal and E. Hugron), one on Depot Road (Blood), one on the Middle Hancock Road (Gardner) and one right in the heart of town (C. Smith), but hidden. All are a credit to the town. On School Street is a small, neat, new building. A glowing blue light in the window marks it as the home of the mechanized telephone.

N. H. PROFILES, January issue, featured Freddy and Ginny Gleason's fine home on Main Street. Then YANKEE Magazine published by Robb Sagendorph in Dublin took note of Hancock in its February issue. We're newsworthy apparently for just being what we are. And on March 21st we had further publicity in the Christian Science MONITOR. It gave our Town Meeting a page of candid shots showing alert-looking citizens concentrating on Town affairs. This photographing came about not because anything happened or was expected to happen on Town Meeting Day. Well, of course, a few things came up but they could be described as routine business. Sitting in the back of the room was the Lt. Governor of Finnmark, a province of Norway, a local guest of Mary Peabody and an official guest of the U. S. Government. He was here to learn something of our grass roots democracy. The brightest note of Town Meeting sounded when a dispute arose under Article 6 of the Warrant as to who owned the bell in the steeple, the church or the Town.

Another of the things to list among those uncontrollable forces is the weather: it influences us more than it does city folk. Just after the sunny Town and School Meetings we had a whopping snowstorm 18 inches to add to the 12 still on the ground from late February and early March storms. January and early February had been mostly icy with rapidly seesawing temperatures often below zero. March was the snowy month but this 18 inch storm pretty much ended the snow season although it was mid-April before the ground was clear. Sketching more of the meteorological year it should be added that a wet-tish summer was followed by a wet fall resulting in a poor color season. When freeze-up came the water table, Al Garand reports, was practically at ground level.

Among the unusual items regarding Hancock and its citizens was the publication of a letter written in 1881 addressed to Mrs. William Denison by her sister. The letter told of a trip to New

York and the Christmas window decorations at Macy's. The New York TIMES on Thanksgiving Day this year ran a full page ad with a picture of Mrs. Denison along with the text of the nostalgic letter.

And there were other things worthy of note. Pauline Crowell in connection with her Civil Defense activities had her helpers listen to talks on radiation and decontamination. Our Post Office was modified and embellished on the inside by Bill Hanson who owns the building. And just outside the Men's Club, assisted by other organizations, set up a fine Bulletin Board. Considerable interest was taken in the way Al and Gus Dillon have fixed up, on a temporary basis, the old High School where, in summer, they conduct art classes and hold expositions. Faith Peterkin used to be a friendly competitor with her Corycia Gallery. Another of our artists is Becky Fisherman who holds classes for children.

These annual histories tend to skip over the passing of our citizens who are listed on another page in this Town Report. Yet it is impossible to fail to mention one. When Dr. Billings died, his service on April 17th was conducted by his close but youthful colleagues, Dave Parke of Peterborough and Orloff Miller of Francetown. All knew that one of the greats of our church had passed into history.

Flipping through these annual histories, starting in 1950, here are some of the highlights of the decade in the form of a partial index:

- 1950—Korean War—no casualties. Square dancing in full swing. Purchase of Juggernaut Pond. TV comes to town.
- 1951—294 lb. deer shot by Senechal. Dedication Delia Tudor Thacher Forest and Park Reservation. Meeting House painted. Our book and magazine reading habits. Sportsman's Club founded. Town garage built.
- 1952—4 to 1 vote for Eisenhower. Only 98 of 453 on check list born in Hancock. Only 82 more born in New Hampshire. Rapid growth of N. H. Ball Bearing employing Hancock workers.
- 1953—Tearing down of barns. Redoing interior of Meeting House. Evas retire from telephone exchange after 12 years.
- 1954—Nearly snowless winter. Cool summer. Hancock has second State Senator of its history. Closing of High School voted amid tensions. Dividend tax pays nearly one-third our town expenses.
- 1955—Juggernaut Pond our new reservoir. First lady selectman.

- 1956—By-pass on Highway 202 discussed. New heating plant in Meeting House. Late March blizzards. Ice out of Norway Pond May 5th. New York TIMES notes our Old Home Day.
- 1957—Sputnik. New Inn owners. Nubanusit as possible State Park.
- 1958—Big snows of February and March. Hancock Tool Company changes hands. Our church-going habits. Otter Lake, Greenfield, chosen as State Park in the area. Founders' Day started.

B. No-School Signal

In case of emergency when it seems inadvisable to have schools in session on any day, the No-School Signal will be given by sounding the signal on the fire alarm system at 7:15 a.m. The signal will consist of two blasts (repeated in 30 seconds). It will also be announced over radio station WBZ & WKNE at the same time approximately. When the No-School Signal is given it means that there will be no school in all grades all day.

Parents and pupils are urged to depend upon the fire signal, T.V., or radio for no-school notices. Telephone operators are no longer able to assist in giving no-school information.

D. Report of District Clerk

Annual Meeting Hancock School District

March 10, 1959

At 4 p.m. the Moderator, Robert English, read the warrant and declared the polls open for voting on the first four articles.

On a motion made by John Hill, it was voted to close the polls at 8 p.m. ending the voting for Moderator, Treasurer, Clerk, and Member of the School Board, and permitting consideration of the other five articles in the warrant.

Mrs. Bessie Hanson and Mrs. Alice M. Brown assisted as ballot clerks.

At 8 p.m. the Moderator declared the polls closed and proceeded to take up Articles 5 through 9 as follows:

Article 5: Motion by Arthur Tremblay.

Moved: That the salaries of the district officers for the ensuing year be as follows: Chairman of the school board \$75.00, each other member \$50.00, treasurer \$40.00, clerk \$15.00, moderator \$10.00, ballot clerks \$1.00 per hour each, auditors \$1.00 per hour each. The motion passed.

Article 6: Motion by Otis Wilder.

Moved: That the reports as printed be accepted and placed on file with the clerk. The motion passed.

Article 7: Motion by Otis Wilder.

Moved: That Aubrey V. Gould and Nelson Gay serve as auditors for the coming year. This motion passed.

Article 8: Motion by C. Stuart Bradley.

Moved: That the school district raise and appropriate \$43,569.00 and to authorize and direct the school board to apply against said appropriation such income as is estimated by the school board exclusive of state aid, and upon the determination of the amount of state aid to be received by the school district during the next fiscal year to authorize and direct the school board to apply against such appropriation the sum to be received from state aid and with the school district clerk certify to the selectmen the balance as an assessment to be raised by the town for school purposes.

It was explained that higher salaries and more tuition caused the major part of the increase over last year's budget. The motion passed.

Article 9: Motion by Otis Wilder.

Moved: That the school board be authorized to make application for and to accept on behalf of the district such sums of monies as may be made available under the National Defense Education Act, Public Law 85-864 (for purposes outlined under Titles III, V, and VIII thereof), and that the district appropriate the sum of \$400.00 for aid purpose(s), \$200.00 of which amount shall be raised as an assessment by the town, and a like amount to be received from federal sources.

A short discussion followed. Mr. Foote explained that this possible expenditure is for equipment, books, etc., and not for salaries. This motion passed.

At 8:25 p.m. the Moderator declared a recess to permit the counting of the ballots.

There were 131 votes with the following results:

For Moderator: Robert English, 74 votes.

For Clerk: Adella C. Eva, 128 votes.

For Treasurer: William W. Brown, 49 votes.

School Board Member for 3 years:

Margaret M. Lang, 60 votes.

Mary T. Garland, 71 votes.

Mrs. Garland was declared elected.

The Moderator, Mr. English, administered the oath of office to the officers and the meeting was adjourned at 9 o'clock.

E. Warrant

SCHOOL WARRANT

To the Inhabitants of the School District in the town of Hancock qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 5th day of March, 1960, at 4:00 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see what sum the district will raise and appropriate for the purposes outlined under Titles III, V, or VIII, or any combination thereof, of the National Defense Education Act, Public Law 85-864, and to authorize the school board to make application for, to accept on behalf of the district, and to apply against this appropriation any or all grants or other funds which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire under the provisions of the National Defense Education Act.

Given under our hands at said Hancock this 19th day of February, 1960.

The teaching staff remains the same as last year except for Miss Donna R. DeCato, who replaced Miss D. Patricia Therrien as teacher of Grades 1 and 2. Miss DeCato graduated from Keene Teachers College in June, 1959, with a B.E. degree.

B. School Program

School opened in September with an enrollment of 87, a substantial gain over the previous year. Miss Donna DeCato of Canaan, N. H., replaced Miss Patricia Therrien as teacher of grades one and two. The building was given its regular summer cleaning and minor repair and painting jobs were completed.

The sixth grade with Mrs. Edna Howard spent a week at Sargent Camp. The trip was again a success due not only to the intensive preplanning but also to the follow-up considerations and discussions. Parents' Night found many of the friends and relatives of the campers in attendance.

The annual Halloween "Horribles" parade was held in the various rooms afterward.

Christmas was celebrated by all the town children at a party in the Town Hall sponsored by the Woman's Club. Each room presented a playlet and carols were sung by the entire school. The orchestra and chorus of grades five through eight, directed by Mrs. Edna Howard, also performed separately. We appreciate Mr. Neil Bartlett's assistance in preparing the program.

Pupils of all grades make frequent trips to the library where they are cordially received and assisted by Mrs. Richardson.

Continuing the testing program, grades one, three, five and seven were given the S.R.A. Intelligence tests. Achievement tests will again be administered in the spring. The principal reasons for an adequate testing program are to measure the group progress in each subject matter field, and, of equal importance, to measure

the achievement of the pupils in terms of their aptitudes. The teachers and staff are giving particular attention to these factors, and adjusting and adapting the individual pupil programs accordingly.

The school district is taking advantage of the National Defense Education Act the provisions of which provide matching funds for apparatus and equipment in science, mathematics, and foreign languages. This current year we have limited our participation to the field of science. This program is of three year's duration and will be continued during 1960-61.

PART III. SCHOOL PLANT

A. Repairs

Although no major repairs were effected during the summer recess, a number of minor repairs and improvements were made.

Mr. Hennessey did some touch-up painting in the rooms and corridors. Linoleum was laid in the boys' toilet area. The playground swings were repaired and reset for school use.

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. Health

Growth being an index to health, it is always exciting for students and school nurse at the beginning of each new school year to get the heights and weights of all the students and compare with last year's results. Some of the gains in height are spectacular, and some of the gains in weight are cause for concern. Whatever they are, they are recorded on the students record so that the school physician can study them as he makes his physical examination. Only one pupil, because of absence, missed the doctor's examination last year. Defects of the previous year were rechecked and new defects, if any, were recorded. The respective parents were notified of any defects such as teeth, tonsils, wax in ears, posture, overweight or underweight, etc. Most of these were corrected by the family physicians or dentists or at the dental clinic.

As learning takes place mainly through the auditory and visual senses, the visual and hearing testing program is most important. During the year all but two pupils were given the visual test and all but four the hearing test. As the equipment for these tests is shared by other communities in the Union, absentees at the time of testing miss out. There were no pupils with major loss of hearing and only two recommendations for pupils to have their eyes tested by a specialist.

The dental clinic was held in May and June. Three pupils attended once for 7 fillings and 1 cleaning. Six pupils attended twice for 21 fillings, 13 extractions, and 4 cleanings. Nine children from four families received much needed care.

In March, April and May the public health nurse of this area ran Immunization Clinics, sponsored by the Hancock Women's Club. I co-operated very closely with these clinics so that all of the preschool and school children might benefit. Sixteen school children attended the clinics, receiving polio, diphtheria, whooping cough, and tetanus shots, as well as vaccinations. Also in June all students were given the TB Patch Test, with no positive reaction showing.

In May the school physician held the preschool clinic with 14 children attending and all were found to be in good condition to begin school in the fall.

Thirteen home calls were made chiefly to prepare for the different clinics.

Because of the Immunization Clinic which comes only once in three to five years, and the TB Patch testing which comes once in five years, this was an unusual year. I wish to express my sincere thanks for all the help and co-operation that I have received. My thanks to the PTA for their financial assistance in the dental clinic, and for providing the necessary transportation. Also my thanks to the parents who acted as escorts for the first three grades to the Town Hall from the school for the hearing tests and to the selectmen for the use of the hall for these tests.

B. FIVE TOWN COOPERATIVE SCHOOL
COMMITTEE REPORT

Your committee has further reviewed the cost factors relating to the Crotched Mountain Cooperative School for the five towns in the area participating in the study. At the present, your committee sees no changes in the over-all school population which would call for immediate action, since high school education for most of the towns is being adequately provided on the present basis.

A study of the school population of the entire area is being planned by your committee in conjunction with the school boards of Peterborough and Hillsboro. An attempt will be made to determine the feasibility of indefinite continuation of high school education on the present basis, or whether future bulding is necessary either by the individual districts or by the proposed cooperative school district.

Legislation providing more flexible distribution of costs was enacted, but this was not as liberal as proposed by your committee. It will be helpful, however, if the necessity for forming the proposed district should arise.

We therefore recommend that the districts authorise the continuance of this committee for further study and in order to take prompt action in the event conditions change from those now existing.

Respectively submitted,
FIVE TOWN COOPERATIVE SCHOOL COMMITTEE
